# TERMS OF SALE

---

## PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

## I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

## NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

**TERMS:** The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

**PLEASE SEND IN YOUR BIDS EARLY.** All bids must be in on or before Tuesday, October 29th, 1918.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

## PREFACE

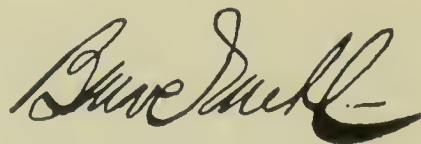

Next to Liberty Bonds, good coins, purchased judiciously, is the best possible investment—if you want to look at it from an investment point of view alone. And when you add the pleasures derived from the pursuit of the numismatic science or hobby, your dividends are unquestionably by far greater than the investment in any other similar hobby would net you.

As a collector or 'investor' this sale offers you a cracker-jack opportunity. Here are over **fifteen hundred** lots! Look them over, please. Don't for your own sake, lay aside the catalogue until you make out your bids for the lots that interest you.

Remember, when bidding at Mehl's sales, **your** opinion is respected. You are sure of satisfaction—everything that the word "satisfaction" stands for according to **YOUR** interpretation.

Send your bids now while you are thinking about it.

Cordially yours,

The entire collection is artistically arranged in eleven (11) trays with receptacles for each and every piece. The condition of the collection is practically perfect. Mr. Sears was several years in completing this collection, which he justly claims to be the finest and most complete ever gotten together, and which he values at \$200.00. With this medal there is an autograph document signed by William F. Doll, which reads as follows:  
 "This certifies that I have sold to the Stamp & Coin Exchange (New York) one Admiral Schley Medal made from a \$20. gold piece, of which only 3 were made in gold and the dies destroyed

by fire at 175 Broadway some seven years ago, one went to Admiral Schley, the other to Mr. Davenport. Also, one in silver with horseshoe attached which was the only one fixed in that way and only three others struck in silver."

(Signed)

William F. Doll,

## *A BIT OF HISTORY*

In 1911 I had the pleasure of selling at auction for a Western gentleman a collection of coins which realized over twelve thousand dollars.

This gentleman, like all true numismatists, promptly resumed his numismatic interest, and in these seven years brought together another beautiful collection or accumulation of numismatic material, the possession of which would make the heart glad of any collector, and the sale of which would make any dealer proud.

I am delighted to announce that I am the "proud dealer" with whom this gentleman placed his entire collection to be sold at auction.

I feel justly more proud in handling this collection as it was placed with me solely on my RECORD of successful achievements.

Announcement of the Sale on next cover page.

**Q** The Collection of a Western  
Gentleman is now being catalogued  
by me for sale at auction.

It is especially rich in unusual items. Among which might be mentioned such rarities as, what we believe, the finest Baldwin \$10; Rare Collection of Bechtler Coins; Uncirculated Mormon pieces, etc.; American Colonial Coins in choice state of preservation; Rare Store Cards; Foreign Pieces with an uncirculated Russian Six Rouble Platinum Coin, etc.

Usual fine Mehl Catalogues ready soon—to be distributed free.

Remember, please, that I shall be pleased to handle YOUR Collection on the same liberal terms with the same successfully proven results that has induced this Western gentleman to place his second collection with me; that has induced Mr. Sears to place his entire stock with me, as well as hundreds of others whom I have so successfully served these sixteen years.
